District Committee on Ordained Ministry Handbook
The District Committee on Ordained Ministry
Susquehanna Conference

Preface

The Mission Statement of the Board of Ordained Ministry of the Susquehanna Annual Conference: To partner with God in a life-giving process to discern, equip, nurture, and support those Christ followers whom the Holy Spirit is calling to joy-filled, passionate, transformational leadership in certified, licensed, and ordained ministry.

The DCOM is amendable to the annual conference through the Board of Ordained Ministry and serves to fulfill its mission in each district of the Annual Conference.

This handbook describes and is designed to assist the DCOM's of the Susquehanna Annual Conference in this mission. Our hope is to create consistent practices among all the DCOM's by specifying required actions while leaving space for the committees, prompted by necessity and guided by the Holy Spirit, to do all they can to discern and facilitate each candidate's calling to lay, licensed, or ordained ministry.

This handbook contains current policies and practices as stated at the time of publication. If any errors are found, corrections or additions needed, or alterations required, please communicate with the BOOM Candidacy Registrar.

Please note that all actions are *recommendations* to the Board of Ordained Ministry and shall be reported to the Board through the “**DCOM Action Report Form**” (see page 27) by the District Committee Registrar. **The Secretary will also send copies of minutes to the BOOM Registrars and Rev. Greg Myers.**

DCOM LEADERSHIP JOB DESCRIPTIONS

District Superintendent

- Meets with new inquiring candidates to hear their sense of call and to aid their enrollment in the candidacy program via the GBHEM website.
- Provides a packet to the Inquiring Candidate which includes the Candidacy Tracking Form, Candidacy Personal Info Form, Form 102 Personal Data Inventory, the Legal Clearances (Pennsylvania Child Abuse History Clearance report, Criminal Record Check available from the Pennsylvania State Police and FBI), credit checks, medical report form, Candidate's Disclosure Form and the instructions and authorization form for the expanded background check
- Assigns candidacy mentors and provides their contact information to the candidate
- Assists the DCOM Chair in scheduling Candidates' interviews.
- Presides at Charge Conference where the vote is taken on candidates.
- Nominates District Committee on Ordained Ministry members and leaders.
- Obtains, from the former district, the files of candidates and local pastors moving to the district.
- Reviews and signs Form 117, Church Support for Candidacy, as required
- Reviews the Clergy Report to Annual Conference to make sure all information is complete and accurate.

Chairperson

- Sets date and place for meetings.
- Schedules interviews with candidates.
- Sets the agenda and presides at the meetings.
- Makes sure that all DCOM leaders are following through on their responsibilities.
- Makes sure that the DCOM interviews candidates at the appropriate time with the appropriate documents in hand.
- Communicates the actions of the DCOM to the candidate.

Secretary

- Sends meeting notices, if not done by the chair.
- Records and sends minutes of the meetings to the DCOM members and to BOOM Registrars and David Norris.
- Keeps a file of all DCOM minutes.

Registrar

- Tracks all candidates.
- Maintains the official file for each candidate (kept in the district office). A “Candidacy File Checklist” or “Local Pastor’s File Checklist” shall be used to keep a record of documents in each candidate’s file. Record keeping procedures shall be governed by the “guidelines for Keeping Ordained Clergy and Diaconal Ministry Personnel Records in the United Methodist Church”, prepared by GCFA.
- Uses the Action Report Form (page 28) to record and report to the Board of Ordained Ministry all actions of the DCOM. Keeps a copy of this Action Report Form in the candidate’s file.
- Not all districts designate a registrar. Sometimes the DCOM Secretary will serve this function, or the Administrative Assistant to the DS or an Assisting Elder will cover these needs. Regardless of the nomenclature, assure that someone is designated to care for these files and checklists, which may be maintained in the District Office by the Administrative Assistant.

DCOM INTERVIEW GUIDELINES

Guidelines for preparing for an interview

- Allow adequate time before each interview to review the file, the written documents, the psychological assessment, and other documents. Discuss concerns and issues that need to be addressed in the interview.
- Decide on the most important questions and who will ask each question (do not have the chair or one person ask all the questions).
- Decide on the size of the interview group. (When necessary, the DCOM can subdivide for most interviews and then report back a recommendation to the total committee for the final decision.)
- Refer to the *DCOM Handbook* to make sure all items are in the file prior to the interview.
- Decide how long the interview will be.

Role of the Chair

- Make sure that prior to scheduling an interview, the necessary papers have been submitted and the psychological assessment (if completed) is in the file. Invite the mentor to attend the interview with the candidate as a silent, prayerful presence.
- Welcome the candidate and mentor to the interview and introduce by name and church to the DCOM. State the purpose of the interview (Acquaintance, staying connected, Certification Interview, for recommendation for probationary or associate membership, etc.)
- Ask members of the DCOM to introduce themselves.
- Ask someone to begin with a prayer.
- State the time available for the interview and be the time-keeper.
- The chair may want to ask the first question. A possible first question might be: "Tell us about yourself, your sense of call, and where God is leading you."
- Be careful to involve the members of your committee in asking the questions. After the first question, the chair should focus on process and time-keeping rather than asking questions.
- Ask someone to close with prayer.

Things to remember

- For all interviews, a candidate's Pastor, staff, close friends and/or family members should excuse themselves from the room, interview, discussion, and voting.
- Decide how to begin the interview. Do not begin with the psychological assessment.

- The candidate does most of the talking but it may be necessary to gently guide the candidate to keep on track.
- Remember that the mentor, if present, may not speak in the interview. Mentors are invited to be present at all interviews. Their role is *non-evaluative*. Candidacy mentors will be requested to write and submit to the DCOM some observations prior to the certification interview. Clergy mentors will simply report dates and whether the pastor is participating in meetings.
- Do not allow other committee members to answer questions or to engage in an argument or discussion with the candidate that distracts from the purpose of the meeting.
- This is not a therapy session.
- Recommendations should be determined by the whole committee after the interview, rather than individual committee members offering advice during the interview, and must be put in writing.
- Decide how the decision of the DCOM will be communicated: having the candidate wait in the hall vs. a phone call. A written letter/email should always follow and include any specific requirements or recommendations for the candidate as well as the actual decision made by the DCOM. Follow-up letters from the DCOM to candidates (after an interview/vote) will also be copied to the mentor.
- Evaluate the interview. What was effective in the interview? What would we do differently next time? Were any questions asked that were inappropriate?
- Remember the status of the person you are interviewing and what you are looking for at that stage of the process. It is helpful to schedule persons of similar status at the same time (i.e., Local Pastors in COS, Local Pastors COS complete, Candidacy Certification, CLM's, etc.)
- Remember the distinctions between candidates on the elder track and the deacon track. Ask appropriate questions.

Interview for: Local Pastor Continuance (annually)

Requirements prior to interview

Note: The district committee must let the local pastor know what is required. The local pastor has the responsibility for requesting these reports be sent to the district committee.

1. Transcripts from undergraduate school, Course of Study, or Seminary
2. Clergy Mentor Report – dates and whether pastor is appropriately participating
3. Completed Form 117, Church Support for Candidacy

FYI: Continuance as a Local Pastor is described in the *Book of Discipline* ¶319

- Those attending Course of Study will be reimbursed \$200 for each course that has been passed with a C or above, *after* their grades have been received.
- A person having completed Licensing School but not appointed may take up to 4 courses at Course of Study with the approval of the District Superintendent. That person will not receive any Conference financial aid or reimbursement for these courses
- Those who have completed the Course of Study no longer require a Clergy Mentor and may then serve as Clergy Mentors.

As the local pastor progresses through Course of Study (or seminary) these are the kinds of issues that should be explored in order to assess progress:

Year 1 - Leadership

- Which local church committees are required by the *Book of Discipline* and what is the function of each? How is your church structured for mission and ministry?
- How are you using the distinctive Wesleyan emphases and characteristics of The United Methodist Church to lead your church in making disciples of Jesus Christ?
- Describe leadership qualities which you demonstrate in your ministry and the strengths and weaknesses of those qualities?

Year 2 - Theology

- How do you apply United Methodist theology in your teaching?
- Describe ways your congregation lives out the theology of grace.
- In what ways has your theology of grace shaped your understanding of the Sacraments?

Year 3 - Practice of Ministry

- How has your preaching improved since you were licensed?
- In what ways have your spiritual disciplines affected your practice of leadership in ministry?
- Describe ways you lead your congregation in offering pastoral care?
- Bring a recent worship bulletin and be prepared to talk about your order of worship.
- Describe ways that, in partnership with laity, you make disciples of Jesus Christ, and train and empower these disciples to produce tangible fruits of love of God and love of neighbor.

Year 4 and beyond

- In years 4 and 5, talk with the local pastor about how they apply their education to their ministry setting.
- For those who have completed COS or M.Div., track continuing education requirements and review progress.

Other Suggested Questions

- Focus on the candidate's areas of strength and areas for growth rather than spending a lot of time on what is going on or not going on in their church. Be careful to not spend the time evaluating the church/charge but keep the focus on the local pastor and his/her role.
- What/where are your support systems?
- Did you establish any goals or objectives for personal or professional growth last year (in consultation with your mentor)? What were they? What did you do toward accomplishing these goals and how well did it work?
- What were your points of growth over the past year?
- How do you equip laity in your church? Share some specific examples.
- What are your plans for the future? Continuing education plans? Plans for ordination?
- What was your Course of Study focus last year? Did you find it helpful/useful? What changes or improvements to your practice of ministry can you identify as a result of the Course of Study?
- In what ways have you grown the most in the past year, both personally and as a pastor? What do you feel were the causes of this growth?
- What was the most difficult challenge you faced as pastor this past year and how did you meet it? What did you learn from it? How do you feel you have grown as a result of it?
- Talk about your pastoral appointment? Has it been what you expected when you felt called to become a local pastor? In what ways have you been surprised? In what ways have you been affirmed that you are properly responding to God's call in your life.
- What is the single most important thing you need at this point in time to become a better pastor?
- What was the greatest joy you experienced in the past year? Why do you feel this was so?
- How do you integrate your personal and professional responsibilities? Do you experience tensions between family and church expectations of you?

Action Required

Majority vote of the committee.

Send a letter stating the result of the vote to the Local Pastor each year.

The DCOM Registrar sends an action report to the BOOM Local Pastor Registrar, specifying full time or part time service, as determined by the DS or Cabinet..

Guidelines for Accepting as Certified Candidate From Another Annual Conference

¶313.4, *The Book of Discipline* states that “A person who is a certified candidate or who is in the candidacy process may have her or his status or studies accepted by another district committee in the same or another annual conference.”

1. If a candidate from another Annual Conference requests a transfer, notify your District Superintendent and the BOOM Registrar of the request.

Action Required

Any action taken is reported to the BOOM Candidacy Registrar for approval by the Board.

THE PSYCHOLOGICAL ASSESSMENT

The Psychological assessment provides the DCOM with indicators of probable psychological fitness and psychological readiness for ministry.

At the candidacy level, the purpose of the psychological assessment is to determine gross psychopathology as well as issues for further growth and development, particularly in the areas of emotional intelligence and leadership style.

How a Candidate is Assessed

1. When a candidate is ready for testing, they communicate with their District Superintendent, who will submit the name and test date for online testing with a proctor. After the tests are scored, the testing agency will contact the candidate for an in-person interview. The candidate reviews and approves a preliminary report. They may request a copy from the testing agency.
2. The report is sent to the BOOM Candidacy Registrar and is considered property of the Annual Conference. A copy is made and sent to the District Office. ***This information is confidential and may only be used for the work of the DCOM and MAY NOT BE COPIED under any circumstances.***
3. Candidates may access the DCOM copy of the report, but it must remain in the district office or with the District Superintendent if a DCOM meeting is held in a different location.
4. The report is kept in the candidate's file at the district office until the candidate is moved on through commissioning, is discontinued, or withdraws. At such a time, the DCOM copy is returned to the BOOM Candidacy Registrar immediately.

NOTE: The Psychological Testing process can take up to four (4) months from start to finish. Candidates should plan accordingly.

APPENDIX A

**SERVICE REQUIREMENT
FOR
PROVISIONAL MEMBERSHIP AND COMMISSIONING**

“Each candidate shall have demonstrated his or her gifts for ministries of service and leadership to the satisfaction of the district committee on ordained ministry as a condition for provisional membership.” (*Book of Discipline, 2016 - ¶324.2*)

The following requirements shall fulfill the condition of the above paragraph:

1. The service shall be a minimum of one hundred (100) hours and may be completed in one or more settings.
2. The “practice of servant leadership” provision is central to our understanding of this requirement. The service requirement is to be fulfilled in a setting that is community based rather than in a local church setting. *Please note: All service requests and approvals will be handled on an individual basis.*
3. If possible, the setting should reflect a different life setting than that which is familiar to the candidate. (It must be considered, however, that candidates will not have equal access to service settings depending on geographical location, other employment, location of college or seminary, family priorities, etc.)
4. While this requirement would most likely be done on a volunteer basis, a paid position could meet the requirements. Serving as a student pastor does not fulfill the requirement.
5. The service requirement must be done after the candidate begins the candidacy process and prior to commissioning. Work done previously cannot be counted toward this requirement.
6. A unit of CPE could meet one half (1/2) of the service requirement.
7. Candidates must submit a written proposal outlining their plan for service to the District office for approval by the DCOM *prior to* the beginning of service.
8. The service setting should be monitored by the candidacy mentor and an on-site supervisor. A written report of service shall be given by the on-site supervisor, to be presented to the District Committee, for each service setting.
9. Candidates shall submit a brief statement of learning to the DCOM.
10. Service requirements completed and approved in another district will be recognized by other DCOMs. If partial requirements have been met, the candidate will meet with the current DCOM to develop a satisfactory plan for completion.
